REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Note that the additional declaration filed on 11/04/2003 is sufficient to overcome the art rejections and double patenting rejections in the Office Action mailed on 09/15/2003 and sufficient to place the instant claims in condition for allowance. In the declaration, Mr. Pashmakov establishes himself to be an expert in the semiconductor technology to which the claimed invention is related. Further, Mr. Pashmakov points out portions of Applicants' specification that provide supporting evidence that the presence of coordinatively irregular structures being distorted from a regular tetrahedral bonding configuration in the silicon, which is structurally distinguished from the prior art (page 4 of the declaration).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
